

PRODUCT INFORMATION

Insurance and risk management for the transport industry

Transportation provides specialist property, business interruption and liability cover for:

- Passenger Train Operators (TOCs)
- Rail Freight Operators (FOCs)
- Rolling Stock Leasing Companies (ROSCOS)
- Light rail and tramways
- Rolling stock maintenance companies
- Underground transport systems
- Heritage rail
- Rolling stock new build projects

Key selling points

- We have specialised in this market for more than 15 years
- Our Rail Liability wording is fully ORR compliant and is one of the leading covers in the market
- We employ specialist risk managers, with a wealth of experience and qualifications, who can advise clients on the current and emerging risks their particular business activities face
- We can offer non-conventional covers for large risks and offer cover to suit the individual client's needs
- Our credit ratings provide confidence in our financial security and ability to meet claims payments

- Clients can be sure of a rapid and fair response if they need to make a claim

Transportation is designed primarily for larger risks and the minimum premium tends to be around £10,000.

About Travelers

We are an insurance company that cares. Travelers takes on the risk and provides the coverage you need to protect the things that are important to you – your home, your car, your valuables and your business – so you don't have to worry. We have been around for more than 160 years and have earned a reputation as one of the best property casualty insurers in the industry because we take care of our customers. Our expertise and focus on innovation have made us a leader in personal, business and specialty insurance and the only property casualty company in the Dow Jones Industrial Average. Every day, our approximately 30,000 employees and 13,500 independent agents and brokers in the United States, Canada, the United Kingdom, Ireland and Brazil help provide peace of mind to our customers.
